APPLICANT'S INTERVIEW SUMMARY

Dear Sir:

The Applicant's undersigned representative spoke by telephone with Examiner Solomon on June 13, 2008, June 16, 2008, and June 19, 2008 regarding the status of the application, in view of the Applicant's May 20, 2008 Amendment After Final, the April 25, 2008 grant of the Applicant's April 7, 2008 petition to withdraw the March 27, 2008 Notice of Abandonment, and the two May 28, 2008 Letters Regarding a New Notice and/or Status of the Application (one of which referring to an April 20, 2008 notice that the applicant may disregard, and the other referring to a March 27, 2008 notice that the applicant may disregard), both of which indicated that "[i]f the Office previously granted a petition to withdraw the holding of abandonment or a petition to revive under 37 CFR 1.137, the status of the application has been returned to pending status."

The Examiner indicated that an Advisory Action is forthcoming, and that the Advisory Action would indicate that the May 20, 2008 Amendment After Final was not entered. The Applicant's undersigned representative informed the Examiner that a request for continued examination ("RCE") would therefore be submitted, with a request to enter and consider the May 20, 2008 Amendment After Final, and that a duplicate copy of the Amendment After Final would be submitted with the RCE.

Date: June 19, 2008

Respectfully submitted,
